תקציר:

The small town of Rocky Points, Colorado has just been hit with an epic snowstorm, and while skiers at the Rocky Mountain resort are enjoying deep turns and face shots, the rest of the residents are struggling to dig themselves out.
When a snow plow uncovers the dead body of a young woman, brutally murdered and marked with a red X on her forehead, Sheriff David Wolf and his deputies are left scrambling to find a disturbed killer before he strikes again.
But more bodies begin surfacing, and as Wolf's investigation clouds over, the only thing he finds is a corruption plot involving the highest authorities. Could the back-room scandals be a link to the killer's identity? One thing becomes clear: it will take gambling .his career, his limbs, and his life to find out
